

Mustard Seed Jersey Prayer Update June 2019

Friday May 31st 2019

GIVE THANKS FOR ANSWERED PRAYER The planned trip for Iolanda to receive dental treatment in Jersey (mentioned in last update) happened at end April / beginning May. In the end everything worked out very well. Ioli received 8 crowns and 3 implants in the course of 3 days. She needs to come back (probably in October) to have the work on the implants completed.

Please give thanks for the compassion and generosity of the dentist and the kindness of the dental nurses and pray God's blessing on him and the staff.

Ioli was accompanied and supported by Geta one of the social workers at Agape / Romanian Orphan Ministries and her young daughter. Remember Corey and Diana (houseparents) as well as Geta and Ioli in your prayers

Earlier this month we shipped our first AID CONSIGNMENT of 2019 to Romania. We had expected it to be the first one after Brexit, but of course this wasn't the case. We plan our next one for the early autumn and the third one for early December. Please continue to hold this in your prayers as the Romanian social workers believe Brexit may affect requirements for our aid consignments.

On Monday June 3rd CHRISTINE and ROSE (that's me) go to Romania. As always decisions will have to be made about use of limited resources, so please pray for us for wisdom and safe travel and that we will be an encouragement to those we meet.

Remember NELU and CRISTINA in your prayers as their family has had a number of sickness related problems and challenges this year. Pray for them for strength and good health

In His service

Rose
