

Mustard Seed Jersey Prayer Update March 2020.

March 24th 2020.

None of us expected the situation with the Coronavirus to change our lives as much as it is now doing.

But please be encouraged for God is in control and as Romans 8 verse 28 says God will bring good out of everything for those who love Him and are following Him.

I wrote to all our social worker contacts in Romania and asked for any prayer pointers they want to share with us. Nelu from AVS responded:

“Pray for the poor of the poorest to survive at these times, and God to offer them a total protection.

Pray for old people that are in our programs to have good health.

Pray to find the best treatment and to find a vaccine.

God to stop this virus to be stopped in all countries.

Because of this pandemic situation pray that the poor people will have enough food to survive for the future.

After medical problems to think of the economical problems that can appear

Ask God to protect all NGO to not be closed, and to have fund to continue.

To understand that is a time to be close near God.

2 Chronicles 7:14 New International Version (NIV)

14 ‘if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.’”

Here is Jersey we ask for your prayers for protection and wisdom.

Currently we are seeking clarity about sending a humanitarian aid consignment – we have almost a full load and once all the pallets are completed we would hope to get it out to Romania as soon as it is possible and safe to do so.

We ask that you will continue to bless us in Jersey and the social workers and beneficiaries in Romania with your prayers.

Yours in Christ

Rose Helie-Pallot
